Important Messages

Good news for business customers!
The price of electricity will go down in August as we end the Storm Recovery Charge.

Beginning in August, small business customers will save about \$20 per 1,000 kWh each month, or 11-12% overall. That's saving of about \$40/month for 2,000kWh and nearly \$60/month for 3,000 kWh. Most commercial customers can expect savings of approximately 7% to 10%, while industrial customer savings will vary based on usage and rate class. **NOTICE OF PUBLIC HEARING AND BOARD OF SUPERVISORS MEETING OF THE
WYNNMERE EAST COMMUNITY DEVELOPMENT DISTRICT**

The Board of Supervisors (the "Board") of the Wynnmere East Community Development District (the "District") will hold a public hearing and a meeting on **Tuesday, August 11, 2026, at 6:00 p.m. at Rizzetta & Company located at 2700 S. Falkenburg Road, Suite 2745, Riverview, Florida 33578.**

The purpose of the public hearing is to receive public comments on the proposed adoption of the District's fiscal year 2026-2027 proposed budget and the proposed levy of its annually recurring non-ad valorem special assessments for operation and maintenance to fund the items described in the proposed budget (the "O&M Assessments").

At the conclusion of the public hearing, the Board will, by resolution, adopt a final budget, provide for the levy, collection, and enforcement of the O&M Assessments, and certify an assessment roll. A meeting of the Board will also be held where the Board may consider any other business that may properly come before it.

A copy of the proposed budget, preliminary assessment roll, and the agenda may be viewed on the District's website at <https://wynnmereastcdd.com/> at least 2 days before the meeting, or may be obtained by contacting the District Manager's office via email at rwelborn@rizzetta.com or via phone at (813) 533-2950.

The table below presents the proposed schedule of the O&M Assessments. Amounts are preliminary and subject to change at the meeting and in any future year.

Lot Type	Total # of Units	Rate Factor	Current Unit Annual O&M Assessment (October 1, 2025 - September 30, 2026)	Proposed Annual O&M Assessment (October 1, 2026 - September 30, 2027)	Change in Annual Dollar Amount
Single Family	316	1.00	\$829.78	\$894.33	\$64.55

The O&M Assessments (in addition to debt assessments, if any) will appear on November 2026 Hillsborough County property tax bill. Amount shown includes all applicable collection costs. Property owner is eligible for a discount of up to 4% if paid early.

The County Tax Collector will collect the assessments for all lots and parcels within the District. Alternatively, the District may elect to directly collect its assessments in accordance with Chapter 190, Florida Statutes. Failure to pay the District's assessments will cause a tax certificate to be issued against the property which may result in a loss of title or a foreclosure action to be filed against the property. All affected property owners have the right to appear at the public hearing and to file written objections with the District within 20 days of publication of this notice.

The public hearing and meeting are open to the public and will be conducted in accordance with the provisions of Florida law for community development districts. They may be continued to a date, time, and place to be specified on the record at the hearing or meeting. There may be occasions when staff or Board members may participate by speaker telephone.

In accordance with the provisions of the Americans with Disabilities Act, any person requiring special accommodations because of a disability or physical impairment should contact the District Manager's office at least 2 business days prior to the meeting. If you are hearing or speech impaired, please contact the Florida Relay Service at 711 or 1-800-955-8771 (TTY), or 1-800-955-8770 (voice) for aid in contacting the District Manager's office.

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the public hearing or meeting is advised that person will need a record of proceedings and that accordingly, the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

About FIA

Florida Insurance Alliance (“FIA”), authorized and regulated by the Florida Office of Insurance Regulation, is a non-assessable, governmental insurance Trust. FIA was created in September 2011 at a time when a large number of Special Taxing Districts were having difficulty obtaining insurance.

Primarily, this was due to financial stability concerns and a perception that these small to mid-sized Districts had a disproportionate exposure to claims. Even districts that were claims free for years could not obtain coverage. FIA was created to fill this void with the goal of providing affordable insurance coverage to Special Taxing Districts. Today, FIA proudly serves and protects over 1,000 public entity members.

Competitive Advantage

FIA allows qualifying Public Entities to achieve broad, tailored coverages with a cost-effective insurance program. Additional program benefits include:

- Insure-to-value property limits with no coinsurance penalties
- First dollar coverage for “alleged” public official ethics violations
- Proactive in-house claims management and loss control department
- Risk management services including on-site loss control, property schedule verification and contract reviews
- Complimentary Property Appraisals
- Online Risk Management Education & Training portal
- Online HR & Benefits Support portal
- HR Hotline
- Safety Partners Matching Grant Program

How are FIA Members Protected?

FIA employs a conservative approach to risk management. Liability risk retained by FIA is fully funded prior to the policy term through member premiums. The remainder of the risk is transferred to reinsurers. FIA’s primary reinsurers, Lloyds of London and Hudson Insurance Company, both have AM Best A XV (Excellent) ratings and surplus of \$2Billion or greater.

In the event of catastrophic property losses due to a Named Storm (i.e., hurricane), the program bears no risk as all losses are passed on to the reinsurers.

What Are Members Responsible For?

As a non-assessable Trust, our members are only responsible for two items:

- Annual Premiums
- Individual Member Deductibles

FIA Bylaws prohibit any assessments or other fees.

Additional information regarding FIA and our member services can be found at www.fia360.org.
